GUEST SPEAKER

SUZANNE HUNT – ARCHITECT

Suzie sits on the Institute's Gender Equity Taskforce, is a formal mentor and recently established the networking group #WorkWomenWisdom Forum for women in the design profession. She is keen to give back and share her experiences with others.

In 2017 Suzanne (Suzie) was the first woman to be elected by her peers to the position of President of the WA Chapter of the Australian Institute of Architects. She sits on the Australian Institute of Architects National Council.

She established the award winning architectural and interior design practice, Suzanne Hunt Architect, in 2004 after 20 years of working in WA and the UK in all levels of government and the private sector. Her work is strongly influenced by WA's stunning landscapes, resulting in timeless buildings and spaces that are not only beautifully detailed but environmentally sustainable. Her ethos is that *"Great architecture enriches our lives physically, psychologically, spiritually and emotionally, and leaves a legacy for generations to come."*

As a mother of four, Suzie is aware of the challenges of juggling caring roles with professional demands, championing diversity & gender equity and sustainable work practices.

MEET

JANINNE GLIDDON -The Zonta Club of Perth's NOMINEE for 2018 WOMAN OF ACHIEVEMENT AWARD

Janinne is a quiet achiever who goes above and beyond to address the needs of the community. During her professional career Janinne has worked tirelessly, both on the ground and with community members, within the healthcare system. She has helped ensure that Aboriginal people are represented, particularly in the health care space. In 2017, as the championing force behind Australia's first Aboriginal Volunteer Program, Janinne realized that Aboriginal women who attend KEMH have unique needs.

The club is very proud to have nominated Janinne as our Woman of Achievement for 2018. She will be our guest at the Founders Day Dinner on 10th November.
